

KINGSBRIDGE to CALIFORNIA CROSS (via Loddiswell Station and Chilli Farm)

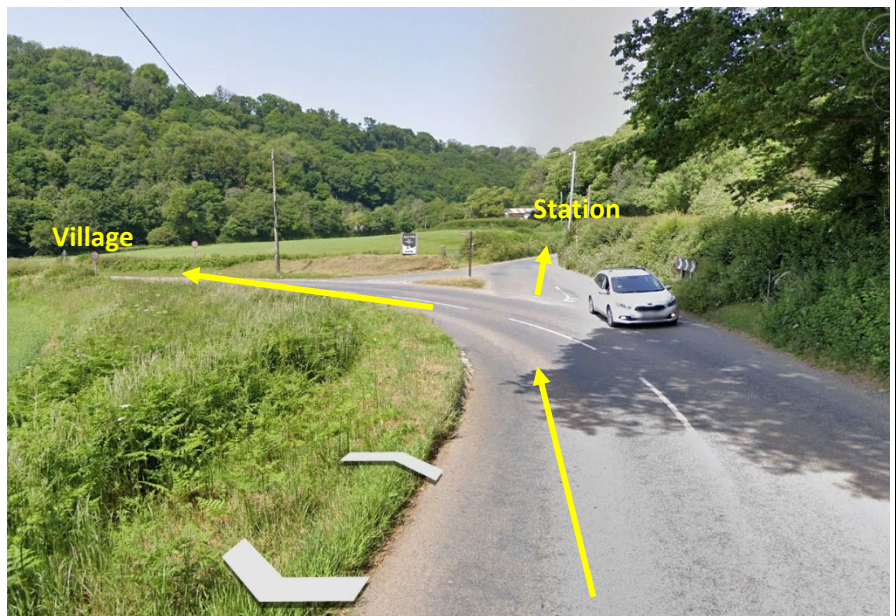

Turn **RIGHT** out of bus station then **LEFT** up Fore Street. At first junction at end of one-way section continue straight **AHEAD** up the hill and at next junction with major road go straight **AHEAD**. At Sorley Green Cross junction with A381 with bollards continue ahead over crest of hill for Loddiswell. Follow the road down passing Aune Valley meat on RHS.

Aune Valley Café is advertising in the programme – please point this out to passengers.

At the bottom of hill turn off RIGHT (SP Avon Mill garden centre) for Woodleigh and the Station.

Follow the road past the garden centre turning on LHS (they are also advertising the in the programme), and go 'under' former railway bridge to **Loddiswell station** on LHS. Go just beyond the station and reverse onto the forecourt to turn unload/load and turn around.

This year, the new station owners, Matt and Caroline Carroll, are kindly opening the station grounds for passengers to view **Loddiswell station** buildings. They (and Explorer Scouts) will also be selling refreshments with proceeds going to the Moor to Sea Explorers. **Please announce this to passengers.** They can get off and join another departing service. (Details in the programme.)

It is extremely important to depart on time to avoid meeting an inbound service.

Depart promptly and retrace the road back out past the garden centre to the T junction and the triangle island. Turn out RIGHT and proceed over the River Avon and climb up the valley side and wind through the **Loddiswell** one way system. The bus stop is just beyond the one-way system.

Continue out of the village passing the industrial areas on LHS. The road then climbs with a small layby with a clump of trees on LHS. As road starts to drop down, prepare to take the second right hand turn for the Chilli Farm.

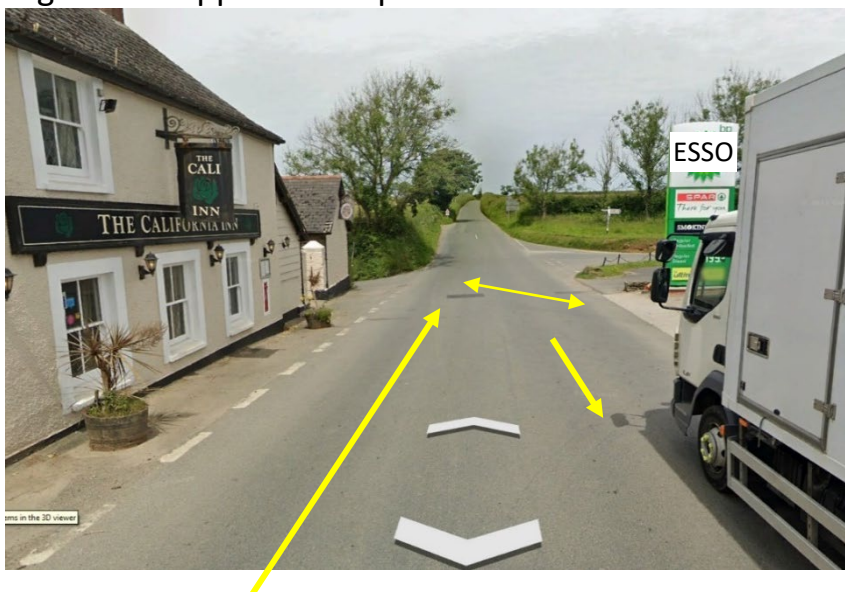

The customer entrance to the chilli farm is at the start of the side road. Turn in to the chili farm (who are advertising in the programme and providing crew chocolate). Passengers have time to alight for the self guided tour of the chilli farm and/or shop while the bus/coach goes out and back to California Cross.

Leave the chilli farm using the turning space or deliveries entrance/exit and return to the T junction with the B3196. Turn out right and continue passing signs for Blackdown Rings near the highest point. The road drops down to a Y junction at **California Cross** with the California Inn ahead and Esso filling station opposite the pub.

Turn out RIGHT then stop and turn (reversing into the side road just beyond the filling station).

Pull in briefly opposite the pub (where lorry is parked in photo except facing the other direction!).

Departing California Cross promptly, return past Blackdown Rings and turn LEFT into Chilli Farm, as above.

Depart Chilli Farm turning LEFT back onto the B3196 and retrace the route to Loddiswell.

0925 service – go direct from Loddiswell village to Kingsbridge NOT via station.

1050 Service – go from Loddiswell village via Station to Kingsbridge

The bus stop is in front of the former pub.

Continue round into the one-way system and down to the river, over the bridge and then turn off LEFT (SP Avon Mill garden centre) for Woodleigh. Follow the road past the garden centre turn on LHS, go 'under' former railway bridge to **Loddiswell station** on LHS. Turn around in the entrance just before the station to drop off / pick up passengers.

Depart promptly and retrace the road back out past the garden centre turn to the T junction and the triangle island. Turn out LEFT heading up the hill and turn **RIGHT** at the Sorley Green Cross junction on the brow of the hill onto the A381.

At the roundabout (Palegate Cross) take the 1st exit (LEFT) for Kingsbridge and at the mini-roundabout at the bottom of the hill take the 2nd exit (RIGHT) into Cookworthy Road. Proceed through pedestrian lights passing Tesco (LHS) and Morrisons (RHS) stores then at roundabout turn LEFT, pass bus station exit, take 3rd exit at roundabout then turn immediately RIGHT into bus station.
